Travel Information

Reaching the conference venue by Air:

Düsseldorf:
For international flights you may fly into Düsseldorf Airport. From there you can get train connections to Dortmund from the Düsseldorf Airport Station (access via Skytrain). One suburban train (S1 -> Dortmund) runs right past Dortmund University ('Dortmund Universität'). This is the right train stop for Tryp Hotel as well. Other regional trains RE 1, RE 6 and RRX 11 go to Dortmund Main Station. From there you can take a suburban train (S1 -> Solingen) to Dortmund University.
To buy your tickets, select zone D tickets (15.70€, valid for 4 hours) for regional and suburban trains at the ticket machines in the Skytrain station at the airport or at the airport train station.

Dortmund:
Ryan Air and Easy Jet also fly into Dortmund Airport from London Stansted and London Luton. From Dortmund Airport, you can take an express bus into Dortmund town centre. Tickets to Dortmund town centre are 8.50 € (can be bought on the bus).

Reaching the venue by train and local transport:
For local traffic within Dortmund (S trains and Urban rail + busses), you need a zone A(3) ticket. A single journey costs 2.90 €, a multi-journey ticket (4 journeys) costs 10.50 €.

Trains:
The conference venue at Dortmund University is served by the suburban rail service S1. On weekdays, this leaves Dortmund Main Station every 20 minutes (30 mins on weekends). To get to the University from Dortmund Main Station, take the S1 into the direction of Solingen.

Local transport:
If not taking the S1, Dortmund University can also be reached by a combination of the urban light rail and bus. To get to the university, take the U42 (direction -> Grevel) and change for the 445 or 462 bus towards the University at *An der Palmweide.*
